This email comes with added malware. Don't open the attachment if you get this!

Hello!

We were not able to deliver the postal package which was sent on the 28th of January in time because the addressee's address is not correct.

Please print out the invoice copy attached and collect the package at our department.

United Parcel Service of America.

The attachment appears to be a UPS invoice and the email address appears to be legitimate - but the attachment contains a virus and the email is a spoof.
